Property Summary

A charming three bedroom period cottage dating back to circa 1700, which has been tastefully renovated and thoughtfully improved by the current owners, whilst retaining a wealth of original character and period features.

The accommodation comprises spacious dining room with an original feature fireplace, a separate and inviting living room with a working wood burner, and a recently fitted kitchen. There is also a useful utility room with appliances and a separate pantry.

To the first floor are two good sized double bedrooms, with the third bedroom currently being used as a dressing room, together with a lovely family bathroom having a shower over the bath.

Throughout the property, there is an abundance of period charm, including exposed beams, original fireplaces, complemented by modern comforts including double glazing where fitted and gas-fired radiator central heating.

Outside, the property continues to impress with a courtyard area, useful external brick built storage and a private rear garden which provides a peaceful little oasis – a lovely place to sit and enjoy the outdoors.
