Property Summary

Situated in the highly sought after village of Weedon, this three bedroom semi-detached home presents a fantastic opportunity for buyers looking to renovate, extend and add significant value (subject to the necessary planning permissions).

Requiring modernisation throughout, the property's biggest selling point is the exceptional potential it offers. Occupying a generous plot, the home benefits from an impressive 60ft driveway providing ample off road parking, substantial side space with excellent scope for extension, and a magnificent rear garden extending to over 120ft in length.

The ground floor comprises entrance hall, lounge, separate dining room and kitchen. Upstairs, there are three well proportioned bedrooms and a family bathroom.

Whether you're a growing family looking to create your forever home, an investor seeking your next project, or a buyer keen to put your own stamp on a property, this is an opportunity not to be missed.

Properties offering this level of potential in such a desirable village location rarely come to the market. Early viewing is highly recommended.
