Property Summary

Situated in the sought after Headlands area of Daventry, close to the town centre and local amenities, this three bedroom semi detached home offers a rare combination of substantial recent improvements and considerable potential to further enhance and extend.

The current owners have carried out a comprehensive amount of work, including a new bespoke kitchen, new bathroom, utility room and WC, full redecoration, newly laid driveway and a garden outbuilding, meaning the property is ready to enjoy while still offering plenty of scope for the future.

The ground floor comprises lounge, bespoke fitted kitchen, utility room and WC, with three well proportioned bedrooms upstairs, including two generous doubles, alongside a contemporary four piece bathroom.

Outside, the newly laid driveway provides off-road parking for multiple vehicles, with side access leading to a generous rear garden and versatile outbuilding, ideal as a home office, workshop, gym or storage space.

One of the property's key attractions is the amount of potential it offers. With scope to consider both side and rear extensions, subject to the necessary planning permissions and consents, there is an opportunity to significantly increase the living space and tailor the home to suit your needs.
