Property Summary

Offered to the market with vacant possession and no onward chain, this attractive two bedroom Victorian terrace is situated in the popular Queens Park area of Kingsthorpe, conveniently located within easy reach of local shops, schools, transport links and Northampton town centre. Offering plenty of character and scope for further improvement, the property would make an ideal first time purchase or investment opportunity.

The accommodation comprises entrance hall leading to two separate reception rooms, providing flexible living and dining space. To the rear is a fitted kitchen with access to the cellar, offering useful additional storage. On the first floor are two well-proportioned bedrooms and a family bathroom.

A particular feature of the property is the impressive south east facing rear garden, extending to over 100ft in length. Although currently overgrown and requiring clearance and landscaping, it offers exceptional potential to create a fantastic outdoor space.

The property has been well maintained in key areas and benefits from gas central heating, uPVC double glazing, a replacement tiled roof fitted in recent years, and a more recent damp proof course injection, providing reassurance for prospective purchasers.

Previously, a single brick outbuilding adjoined the rear of the property and was accessed directly from the kitchen. Although this has since been removed, it presents an exciting opportunity to extend the accommodation in a similar manner to neighbouring properties, subject to the necessary planning permissions and building regulations approval.

Combining period charm, generous outside space and excellent potential for further enhancement, this is a fantastic opportunity for buyers looking to personalise a home or investors seeking a well located addition to their portfolio. Early viewing is highly recommended.
