Property Summary

Offered to the market is this truly unique and highly individual two bedroom home, created through the conversion of a former electrical substation which has been thoughtfully divided into two separate properties.

The property offers surprisingly spacious and versatile accommodation, with an impressive floor to ceiling entrance hall and striking staircase creating an excellent first impression.

The ground floor comprises contemporary open plan kitchen and living space, complete with integrated appliances, built in storage and a useful downstairs WC. The open plan layout provides a fantastic social space and makes excellent use of the property's distinctive footprint.

To the first floor are two well proportioned double bedrooms, together with a modern three piece bathroom suite.

Externally, the property benefits from a gated private garden, providing a valuable outdoor space and further enhancing the appeal of this unusual home.

A genuinely niche and rarely available opportunity, offering buyers the chance to own a home with real character and individuality. An early viewing is highly recommended to fully appreciate what this unique property has to offer.

EPC Rating: TBC. Council Tax Band: C.
